

Cripps Farm Somerset

Exclusive Lakeside Leisure Homes

Cripps Farm provides its guests with a very peaceful and relaxing retreat. Located just outside the village of East Huntspill, on the edge of the Somerset Levels, Cripps Farm is spread across 56 acres. As well as the private lake, the rivers Cripps and Brue join up on the site, which makes it an ideal location for fishing.

On Site:

On the park we have a fully stocked private fishing lake, W.C and laundry facilities and all Holiday Homes have telephone landlines and internet access. If you are having friends or family visting, then there is Bed & Breakfast available in the Farmhouse.

Please note that images of Lodges are an Artists impression and the actual Lodges may differ from those shown.
