Willerby Skye

35' x 12' - 2 Bedroom

The Skye is a home with flexible family living in mind with enough space for everyone to relax, play, or dream. The amount of seating the Skye offers allows for a night in front of the TV, or an evening entertaining friends. Every aspect to make the family feel at home has been considered, right down to the multiple USB sockets throughout the home. Finished to a high standard, the kitchen is as good as your own with oak effect vinyl flooring, porcelain coloured cupboards and contrasting worktops. The fixed dinette offers plenty of room for the whole family. Heading through the hallway to the bedrooms you'll notice a full height storage cupboard to keep a pushchair, coats, shoes... not forgetting your bucket and spade!

When it's time to catch forty winks you can kick back in the master bedroom with a large bed and bedside tables to put your favourite holiday reads on. Extra kit and features include galvanised chassis, electric fire, swivel chair, co-ordinated bed covers and full length fixed front window.
