Pemberton Rivington

41' x 12.6' - 2 Bedroom

The uninterrupted vista to the front elevation gives the Rivington a real edge and the trifold doors make this desirable to many owners.

This well thought out layout offers many features that would normally only come with a larger leisure home such as the 5 foot bed in the master bedroom, the walk-in wardrobe and the bath in the en-suite.

Much thought has gone into finishing touches such as the interior doors, high quality lighting, plush carpeting and designer fabrics. Everything you would expect from a Pemberton lodge.
