The 2016 Swift Auvergne has a fabulous location on EV10, the new lodge development at St Audries Bay. With 20 years remaining on the licence, this lodge provides tremendous value for money.

A front wrap around deck joins both sets of tri-fold doors creating a relaxing area to enjoy the sea views. Inside, the lodge is light with the large windows and velux window in the kitchen. The large L-shaped sofa provides a fantastic viewing area and also, houses a double bed. Perfect for additional guests. In addition, the electric fire, blinds and curtains create a contemporary feel.

Entertaining is a breeze with the fully equipped kitchen and dining area. The ultra gloss dark walnut kitchen creates a modern look, whilst the fridge freezer, cooker and dishwasher keep it functional. The bedrooms continue with the contemporary style.
