Inside, the large aspect windows allow the light to cascade into the front room, creating the perfect bolt hole. The lounge has an L shaped sofa with sofa bed and an arm chair to enjoy the sea view. The room is made homely with the tv cabinet, coffee table, mirror and flame effect electric fire. The free standing dining table seats 4 and is located opposite the kitchen.

The bedrooms are nicely furnished and both bedrooms have over bed storage and co-ordinating padded headboards. The master bedroom is light and airy as large floor to ceiling windows create a design piece. The mirrored wardrobes and en suite WC add that little bit extra making this holiday home a perfect choice.
