£17,000

This 38' x 12' model is top of the range and has all of the extras you would expect from a BK Sheraton. It is located on an end plot which is close to the facilities.

The caravan inside is bright and airy. This model has a door leading from the lounge to the kitchen/diner making this a really cosy place to relax and unwind. The front opening patio doors allow direct access onto the deck creating some additional living space and a perfect platform to enjoy the sea view.

The kitchen is well equipped and has gas oven and hob, fridge and freezer, integrated microwave and extractor. It is handy being able to completely shut off the bedrooms and the lounge whilst cooking and dining.

Throughout, the caravan is nicely furnished with TV cabinet and dressers in the lounge, spot lights in the kitchen and additional reading lights in the bedrooms.
