## 2013 Willerby Sierra

37' x 12' - 2 Bedroom

BAYVIEW

29

£33,995

This caravan is in a super location and has far reaching sea views. It has everything included to start enjoying holidays at St Audries Bay Holiday Club.

The open plan living area is very bright and spacious. The large front opening doors invite the sea view in creating a peaceful haven to unwind. The L shaped sofa is both comfortable and versatile housing a double bed for extra guests. The electric flame effect fire creates extra heat during the colder months.

The kitchen is designed with cream and oak effect woodgrain and this continues throughout the caravan in to the bedrooms. The appliances are integrated and include the gas hob and oven with extractor, microwave and fridge freezer.

The bedrooms have co-ordinated fabric headboards, over bed storage, bed side tables and wardrobes.
