We are excited to say that the new 2022 Willerby Malton has arrived at St Audries Bay Holiday Club. This beautifully styled caravan has plenty of bonus features, creating a high specification holiday home at a reasonable price. This holiday home is anything but standard. Furthermore, the location of this holiday home on **Sea Spray 19** provides partial sea views and the space to build a side deck should you desire.

The open plan design inside the Willerby Malton creates a wonderful light open space. The large windows allow the light inside. The free standing lounge furniture is both luxurious and comfortable. The pull out bed creates additional space for guests to stay.

The Shaker style kitchen has everything needed to start holidaying at St Audries. The gas oven and hob, extractor fan and free standing fridge freezer come as standard. There is a space for microwave if required. The dining area sits adjacent to the kitchen creating a family space.

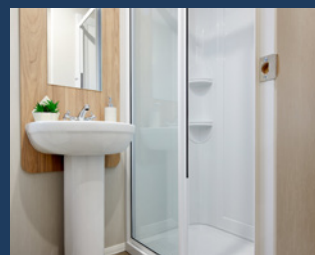

The bedrooms have been designed well and with comfort in mind. The master bedroom has a king sized bed and padded headboard, bedside cabinets and walk in wardrobe.
