This 2023 Regal Retreat is available for sale at St Audries Bay Holiday Club. Chosen for its coastal interior design, this Regal Retreat is sure to compliment its sea view location. The interior is both contemporary and functional and full of designer shelves, appliances and co-ordinating fabrics.

The lounge has free standing sofas, one with a sofa bed and has complimenting scatter cushions. The electric stove creates a focal point and provides extra warmth during the colder months. There is plenty of storage with the TV cabinet, display unit and coffee table.

The modern kitchen has everything you need to start your holidays. The appliances include the gas hob, oven, extractor fan, integrated fridge freezer, microwave and washing machine. The free standing table and chairs are located opposite and form a hub for family meals.

The bedrooms have been designed with comfort in mind and follow the same coastal design. The master boasts a king sized bed with upholstered headboard, floating shelves and wall lights. The dressing table, bedside cabinets and wardrobes make handy storage. The en suite WC is an added extra. In the twin, guests or family will be comfortable with the 3ft beds. The room is spacious and has a large wardrobe and fitted cupboards.
