£24,995

The Willerby Martin has a unique layout with its centre lounge and bedrooms at each end. Each bedroom has its own washing facilities with a shower room.

The lounge itself is made up from the large seating area, dining table and chairs and the fireplace. The gas fire provides extra heat during the winter months. There is a handy utility room where coats can be stored and a washing machine can be installed.

The kitchen has the appliances required to start holidaying at St Audries and includes the gas oven with hob and fridge freezer.

The spacious master bedroom has the benefit of an ensuite shower room with large wardrobes and dressing table. The twin bedroom is also large with full sized wardrobes and a second shower room next door.
