The iconic apex window sets itself apart from other caravans letting in light and panoramic sea views. The comfortable corner sofa houses a double pull out bed plus there is a cosy armchair to enjoy the view. The electric fireplace forms the main focal point with mirrored shelves above.

The kitchen has all the appliances required to get started. There is an integrated fridge freezer, gas oven with hob, extractor and microwave. The circular dining table sits opposite.

The beautiful well appointed bedrooms are spacious and well furnished creating a place of tranquility and relaxation. The master has large mirrored wardrobes and an ensuite.

The twin has plenty of storage also with the wardrobe, over bed storage and dressing table.
